Postsecondary Education Review Commission September Meeting Set

BATON ROUGE, La. –The September meeting of the Postsecondary Education Review Commission has been set for Monday, September 28 and Tuesday, September 29, 2009 in House Committee Room 1 of the Louisiana State Capitol beginning at 8:30 a.m. both days.

Those unable to attend the meeting in person can watch the proceedings live via the internet by logging onto the Postsecondary Education Review Commission’s website, www.laperc.org. Additionally, the public may provide input to the commission in two ways – by attending the meeting, or by clicking on the “Tell Us What You Think” section of the website.

An agenda for the September meeting of the commission will be posted to the website as soon as it is finalized.

The 2009 Louisiana Legislature, with strong support from Governor Jindal, passed legislation sponsored by House Speaker Jim Tucker (Act 309) creating the Postsecondary Education Review Commission to study the governance, facilities, funding, operations, and number and alignment of degree programs at Louisiana public colleges, and to provide a written report of findings and recommendations to the Board of Regents by February 12, 2009. The Board of Regents will review the report and submit comments to the Legislature no later than February 26, 2009.
