**BOARD OF REGENTS SUPPORT FUND
ENDOWED PROFESSORSHIPS PROGRAM POLICY**

I. PREAMBLE

In 1990-91, the Board of Regents established the Board of Regents Support Fund (BoRSF) Endowed Professorships program, patterned after the successful Endowed Chairs for Eminent Scholars program, to strengthen instruction and research across a diverse array of campuses. Since its inception, the Endowed Professorships program has operated as a non-competitive opportunity for campuses to receive State match of donor contributions. The Board of Regents fulfills all obligations and commitments to the Endowed Professorships program by funding matches in accordance with Support Fund plans and budgets as approved annually by the Legislature and Governor.

II. DEFINITION AND USES OF ENDOWED PROFESSORSHIPS

Endowed Professorships are established to help recruit and retain superior faculty whose research, teaching, and/or public service uniquely contribute to the mission(s) of their departments, their campuses, and the State. The Endowed Professorships program is designed to further achievement of the constitutionally prescribed goals of the Support Fund: to enhance the quality of higher education and promote economic development in Louisiana.

III. ELIGIBLE CAMPUSES

All Louisiana public institutions of higher education and those independent institutions which are members of the Louisiana Association of Independent Colleges and Universities (LAICU) are eligible to participate in the Endowed Professorships program.

IV. ALLOCATION OF BoRSF/LEGISLATIVE MATCHING FUNDS

A. BoRSF Matches

1. Matching Funds: State funds will be provided at a ratio of 60% non-State to 40% State match with the following provisions:
 - a. For each \$40,000 State match requested, a minimum \$60,000 non-State contribution is required.
 - b. While a non-State contribution may exceed \$60,000, State match will be provided only in indivisible \$40,000 increments.
2. Funding Guarantees: The program guarantees Support Fund assistance to annually fund two (2) \$40,000 matches to establish two (2) \$100,000 professorships per year for each eligible four-year and special purpose campus, and one (1) \$40,000 match to establish one (1) \$100,000 professorship per year for each eligible two-year campus.

- B. BoRSF Funding for Additional Slots**: Campuses may submit applications for match in addition to that guaranteed by the Board and may receive additional matches beyond guaranteed slots if one or more campuses submit fewer than their guaranteed applications. While the Board has no responsibility to recognize or match applications submitted in excess of guarantees, any unmatched slots may be funded for campuses through this arrangement. Should the Board

approve additional slots through this proviso, the Board shall determine the most appropriate allocation of such funds.

- C. Supplemental Legislative Funding: In the event that supplemental State appropriations to match endowed professorships (as well as chairs and scholarships) are forthcoming, the Board shall determine the most appropriate allocation of such funds.

V. CAMPUS INTERNAL STANDARDS AND PROCESSES

- A. Required Submission: To be eligible to participate in the Endowed Professorships program, each campus with existing State-matched professorships and/or new applications for match in FY 2012-13 shall submit by March 31, 2013 a document defining (1) its internal standards for selecting faculty recipients of endowed professorships; and (2) its internal processes for implementing these standards and monitoring compliance.* While campuses are required to submit the document only once, standards and practices may be updated annually by March 31.
- B. Delayed Submission and Eligibility: In subsequent funding cycles, campuses without internal standards and procedures on file that plan to submit applications for Endowed Professorships match shall forward the document to the Board by March 31 of the year in which match is requested.
- C. Applicability of Internal Standards and Processes: Beginning March 31, 2013, each affected campus shall fill all vacancies in State-matched professorships using these internal standards and processes.

VI. ANNUAL SUBMISSION OF REQUESTS FOR MATCHING FUNDS

- A. Application Elements: Annual applications to the Endowed Professorships program must include the following:
 - 1. Annual Letter and Rank Order List: Each year, along with its individual applications an eligible campus requesting funds through the Endowed Professorships program shall submit a cover letter signed by the President or Chancellor of the campus listing all applications in rank order of funding priority and requesting appropriate matching funds during the current funding cycle.
 - 2. Individual Applications for Match: Each individual application for Endowed Professorships match shall be comprised of four (4) documents:
 - a. An authenticated statement, notarized in the presence of two witnesses, which shall indicate that the campus has in good faith satisfied the requirements of the Board of Regents Endowed Professorships program policy related to the Definition and Purpose of the program, and describing how campus standards and processes will be used to select the professorship holder.
 - b. An affidavit from the financial institution in which the non-State matching funds are held verifying that the participating campus has received and deposited non-State matching funds in the amount of at least \$60,000 for each \$40,000 requested in State match, and

* Standards must reflect one or both of the Constitutional goals of the Support Fund: to improve the quality of education and/or enhance economic development.

that the funds received and deposited meet all eligibility requirements of the Endowed Professorships program policy (Policy Section II).

- c. A Statement of Understanding executed by the donor(s) and the campus certifying that the donor(s) has been informed of Board of Regents and campus policies and practices relative to the Endowed Professorships program. (See template in Appendix A.)
- d. Documentation via official minutes of the relevant management or governing board of the participating campus that the board has granted approval for the establishment of the endowed professorship to be supported by the proceeds of the non-State contribution and the requested State match.

B. Acceptance of Applications and Deadlines: Applications will be accepted in each funding cycle beginning January 1 and ending at 4:30 p.m. on March 31. Should March 31 fall on a Saturday, Sunday, or State holiday, the deadline shall be extended to 4:30 p.m. of the next working weekday.

One copy of the cover letter and original documents for each new application shall be submitted as follows:

VII. RESUBMISSION OF UNMATCHED APPLICATIONS

Endowed Professorships applications that were submitted in a previous year but not matched may be resubmitted without the above-referenced supporting documentation (Policy Section VI.B.1-4), which is kept on file by the Board of Regents. The rank-order list provided in the cover letter from the campus president or chancellor (see Policy Section V.B) must include all previous and new submissions for which matching is requested; only those submissions included in the annual rank-order list will be eligible for match during the funding cycle.

VIII. BOARD ENCOURAGEMENT OF USE OF NON-STATE FUNDS WITHOUT STATE MATCH

Campuses, foundations, and donors are encouraged and urged to help alleviate the Endowed Professorships backlog and address budgetary issues by acting as follows:

- A. For \$60,000 donations awaiting State match, arrange to spend income accumulating from non-State funds to address current faculty and departmental needs; and
- B. Endow professorships entirely through non-State funds by combining unmatched \$60,000 donations.

- C. If a donor match generates income in addition to the principal contribution prior to provision of the State match, the campus and donor may, at their discretion, determine ways to expend the income. To be eligible for State match, however, the principal must remain whole.

IX. STATEWIDE PRINCIPLES AND GUIDELINES FOR OPERATION OF ENDOWED PROFESSORSHIPS

The following standards and principles listed below shall guide program practices across all campuses. In addition to these statewide principles, each respective campus's internal standards and practices, on file with the Board of Regents, shall govern program operation:

- A. Professorships shall be awarded to faculty recipients for terms of one year or more; only under special circumstances shall a professorship be awarded for a term of less than one year.
- B. Except under extenuating circumstances, as approved by the Commissioner of Higher Education, no more than two years shall elapse from the provision of State match to its award by the campus. If an endowed professorship should become vacant, the same rule shall apply.
- C. The impact of an endowed professorship is seriously diminished when shared among two or more faculty members. The institution shall not divide professorships among multiple recipients except in special circumstances, as approved by the Commissioner of Higher Education.
- D. Except in special circumstances, as approved by the Commissioner of Higher Education, income generated from an endowed professorship shall be designated specifically for the use of the faculty member holding the position, not for the general discretionary use of departments or the campus.
- E. Campus officials shall have the primary and final responsibility to determine professorship recipients.

X. INTERACTION BETWEEN THE CAMPUS AND DONOR

As feasible, campuses shall develop and maintain regular interaction with and reporting to donors, including annual reporting and involvement of donors in award ceremonies.

XI. CREDITING THE BOARD OF REGENTS SUPPORT FUND

Campuses shall ensure that all internal and external materials regarding the program, including policies and procedures, news releases, and promotional materials, appropriately credit the Board of Regents Support Fund.

XII. RECOGNITION OF ENDOWED PROFESSORSHIPS PARTICIPANTS

- A. Board of Regents: The Board of Regents will annually honor campuses/donors that establish Endowed Professorships.
- B. Campuses: Campuses shall develop and maintain procedures to recognize Endowed Professorships holders and donors both internally and externally through such public announcements as media releases, campus newsletters, awards ceremonies, and web pages.

XIII. INVESTMENT OF ENDOWED PROFESSORSHIPS FUNDS

Campuses shall invest Endowed Professorships funds in accordance with the Louisiana Board of Regents Endowed Chair, Endowed Professorship, and Endowed Scholarship Programs Statement of Investment Policy and Objectives.

XIV. ACCOUNTABILITY MEASURES

A. Campuses

For each matched professorship, the campus shall develop goals, objectives, and accountability measures appropriate to the department in which the faculty recipient resides (e.g., grant funding, publications, teaching, industrial ties, technology transfer, and other academic/economic development activities). Based on these accountability measures, campuses shall periodically, but not less than every three years, evaluate the progress of each professorship recipient relative to established goals and objectives

B. Board of Regents

The Board of Regents shall periodically conduct a comprehensive review of the Endowed Professorships program to determine the extent to which program goals and objectives are being met and the impact of professorships at participating campuses and in the State.
