

## LOUISIANA BOARD OF REGENTS 2005-2006 INSTITUTIONAL REPORT FOR THE PREPARATION OF TEACHERS SOUTHERN UNIVERSITY AT NEW ORLEANS

### Message from the Commissioner:

*The Board of Regents is proud of all the teacher preparation programs in our state that reached out to restore education in Louisiana after the devastation of Hurricanes Katrina and Rita. The storms displaced over 84,000 university students, 176,000 K-12 students, 12,000 K-12 teachers, and 1.3 million citizens during fall 2005. The outreach by university faculty and their pre-service teachers was unprecedented. Displaced pre-service teachers were welcomed into new university environments and provided basic essentials to resume their education; pre-service teachers volunteered their time in shelters and helped deliver enrichment programs to displaced children; pre-service teachers assisted overcrowded schools deliver instruction to children who were experiencing emotional turmoil due to unimaginable losses; and displaced student teachers were welcomed into K-12 schools in new communities and provided clothing and housing to help them graduate on time. Of equal importance, faculty who lost their homes, personal belongings, and professional resources returned to their universities and joined in efforts to locate their displaced university students and rebuild the educational programs on their damaged campuses. The compassion and dedication demonstrated by teacher preparation faculty and pre-service teachers during this past year will not be forgotten.*

***E. Joseph Savoie***  
***Commissioner of Higher Education***

**LOUISIANA BOARD OF REGENTS  
2005-2006 TEACHER PREPARATION ACCOUNTABILITY SYSTEM  
SOUTHERN UNIVERSITY AT NEW ORLEANS**

In compliance with the Higher Education Act of 1998, Louisiana created a Teacher Preparation Accountability System to assess the performance of teacher preparation programs within the state. During the first phase (2001-2002) of the accountability system, the performance of the regular and alternate certification students on the state teachers' examination (PRAXIS) was assessed. During subsequent phases (2002-2003, 2003-04, and 2004-05), the quantity of program completers at each institution and the performance of each institution (e.g., performance of regular and alternate certification students on the state teachers' examination (PRAXIS) and ratings by teachers of their satisfaction with their teacher preparation programs) were assessed. In the future, additional factors will be assessed to examine such areas as ratings of programs by first year teachers' mentors and growth of learning of students taught by new teachers. The purpose of this accountability system is to clearly demonstrate to the public that all universities and colleges in Louisiana are working diligently to produce quality teachers who work effectively with PK-12 students.

During 2005-06, it was not possible to implementation the Teacher Preparation Accountability System due to the closure of universities and schools in Louisiana and the inability to collect data from displaced teachers and mentors due to Hurricane Katrina and Hurricane Rita. However, quantity and PRAXIS examination passage rate data that can be collected are being disseminated to the public in a *2005-06 Institutional Report for the Preparation of Teachers*.
