

College or University:

Preparing New Teachers for Common Core
Action Plan for CCSS Implementation

Beginning with the end in mind:

In the space below, articulate your vision for your program. In other words, what will your program look like after this session?

Preparing New Teachers for Common Core Action Plan for CCSS Implementation

What can I do?

In the box below, list 5 things that **you** could do right now (this semester) to achieve the vision in the box above.

--

What can we do?

In the chart below list the program changes necessary to reach your goal. Also consider ways that Arts & Sciences can collaborate in your shifts. These steps would be considered a plan for Fall 2013 implementation.

What step needs to be taken?	When will this occur?	How will you gauge success?
