Review and Approval of the FY 2016-17 Operating Budget Distribution

Mr. Travis McIlwain, Associate Commissioner for Finance and Administration, began his presentation by stating that the September Board of Regents' budget hearings provided an entire day for the finance committee to receive budget presentations from each of the management boards regarding their campus and system budgets, as well as, REGENTS, which now includes the programs of LOSFA and LUMCON. These hearings focused on the FY 2016-2017

Operating Budgets. The budget hearings allowed for questions and discussion on these immediate and long term budget adjustments. Below is the schedule of the budget hearings.

Following the hearings, the Finance Committee met to review and consider acceptance of the FY 2016-2017 operating budgets. At that time, BoR staff presented statewide summary information for the Board's consideration. This month's actions will complete the final step in the FY 2016-2017 budget cycle. Next month, staff will update and prepare a preliminary full formula funding request for FY 2017-2018.
