You will find attached a draft agenda for the meeting. The meeting will be chaired by Richard A. Lipsey who is the new Vice Chair of the Louisiana Board of Regents. The focus of the second meeting will be educational leadership preparation. As noted on the agenda, the outcome of the April 1, 2015 meeting will be to have council members provide public input pertaining to: (1) important issues that educational leadership preparation programs and partnering school districts need to address to prepare effective educational leaders who are immediately hired by school districts in leadership positions; and (2) types of information that tell the public that preparation programs are preparing effective new educational leaders.

At the beginning of the April 1st meeting, you will be provided a brief update on actions that have already been taken to address council recommendations from the September 23rd meeting. In addition, you will be provided a brief update about previous work that was completed for Educational Leadership Preparation Transformation 1.0 to redesign educational leadership programs in 2004-06 and other educational leadership work that was funded by The Wallace Foundation. The majority of the meeting will be spent obtaining input from you regarding the issues identified in the outcome.
